Tavistock / Bristol

I am currently a third-year student in my final year at the University of Bristol studying Engineering Mathematics. I am predicted to finish my degree with a 2:1 grade. I am enthusiastic, reliable and hard working. Looking to experience and learn more in the engineering industry.

Skills:

- Maths
- Coding- Python, MatLab, Java, EDCL
- Time management
- Communication
- Teamwork

Work experience:

NEO Traffic Data: Intern, July 2022

Duties: I was given my own project to design a system to analysis car travel in Excel to filter the traffic data provided. I achieved this by creating a matrix to filter the data into the respective categories. Then was able to do more statistical analysis looking at average speed seeing which roads could be improved. I learnt how to problem solve by myself.

Peter Tavy Inn: Waiter/Barman, 2019 - 2022

Duties: This job was made up of many tasks, it required communication and teamwork skills. I would waiter the front of house or be the barman taking orders and sorting out stock. Where I enhanced my communication skills.

Matthew Crocker Steel Buildings: Labourer, July 2018

Duties: I helped to construct the roof of a cattle shed, this meant operating a genie with care, lining up the roofing sheets with precision and bolting them into place. I experienced hands on work which taught me key aspects such as strong work ethic.

Volunteering:

- Tavistock Hockey Club: Assistant Coach, October 2018 - March 2019
- Mount Kelly Prep School: Teaching Assistant/Helper, October - December 2017
- Mount Kelly College: Landscaper/Helper, October - December 2016

Education:

Mount Kelly School, Tavistock, 2006-2020

A Levels: Mathematics: A*, Further Mathematics: A*, Physical Education: A

GCSEs: Mathematics: 9, Combined Science: 8 8, Statistics: A, Physical Education: 7, Art: 6

Business Studies: C, English Language: 5, Spanish: 5

Achievements:

- Ten Tors: 35, 45 and 55 (captain of 45 and 55)
- DofE: bronze, silver and gold
- School county level in Rugby, Hockey and Chess
- EDCL
